GSE319536_BC14 | author comparison is qualitative, not segmentation accuracy

v3.1 (project coordinates)

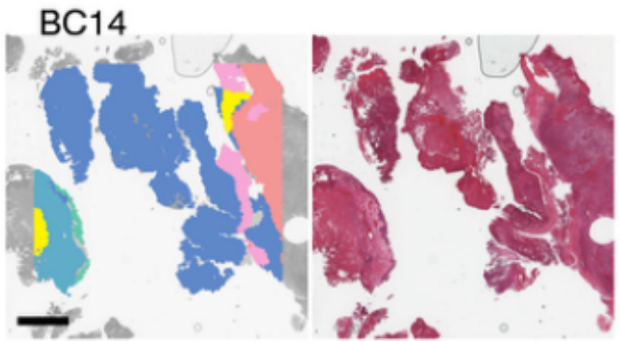

Project inside
Project outside

v3.2 (same project coordinates)

Inside lesion ROI (computational)
Extent unresolved (not outside)

Published S1 annotation + H&E
Separate figure scale; NOT registered barcode labels

Tumor Cell
Tumor Stroma
Immune Cell
Necrosis
TLS/TIL/LA
Vessel
Urothelium
Normal Stroma
Muscle
Others

S1 shows extensive Tumor Stroma and smaller tumour-cell/necrotic regions. S9 assigns broad blue normal-distance classes, illustrating that S1 compartments and S9 zonal labels are not interchangeable macro truth.
